

**Iomax**®

## Iomax®

### Compositions

Peppermint ka Phool.....	15%
Wintergreen Oil.....	10%
Nilgiri Tel.....	10%
Base.....	q.s.

### Indications

Provides quick relief from headache, colds sprain and muscular pain.

### Description

Oil of wintergreen contains methyl salicylate which has anti-inflammatory properties and is closely related to the well-known medication aspirin. Wintergreen and the oil of wintergreen are used in topical pain relievers and products that produce a feeling of warmth for muscle and rheumatic pain relief. Oil of wintergreen has also been used for the treatment of cellulitis, a bacterial infection accompanied by inflammation of the skin

### Dosage

As per the Physician's advice

### Presentations

10 gm
