Descriptions

Look's fairness cream is a Natural Fairness Cream forms a layer on the skin which slows the trans epidermal water loss during the daytime. Its antioxidant properties prevent the deterioration of connective tissue from the harmful effects of free radicals. The natural combination of Aqua, Benyan, Barberry, Cetyl Alcohol, Curculigo, Carbopol 940, Glycerine, Perfume, Turmeric and Vetiver improves the complexion of skin by providing skin nutrients and vitalisers. It is a safe and effective preparation for lightning skin colour. It creates an even colour tone, leaving the skin soft and smooth
