

Bonycal

Composition

Each 100 ml Syrup contains :

Calcium Carbonate (Oyster Shell) equivalent to Element Calcium500 mg

Vitamin D3 IP250 mg

Approved Colour

Bonycal Syrup is a Calcium Supplement which is widely used during pregnancy & lactation and for management for osteoporosis.

Indication

Bonycal Syrup is widely used medicinally as an inexpensive dietary calcium supplement or antacid. It may be used as a phosphate binder for the treatment of hyperphosphatemia.

Use

Bonycal Syrup is a dietary supplement used when the amount of calcium taken in the diet is not enough. Calcium is needed by the body for healthy bones, muscles, nervous system, and heart. Calcium carbonate also is used as an antacid to relieve heartburn, acid indigestion, and stomach upset. It is available with or without a prescription.

Dosage

Bonycal Syrup comes as a tablet to take by mouth. It usually is taken three or four times a day. Follow the directions on your prescription or package label carefully, and ask your doctor.
